

## Change in Management Team

It is with sincere regret RealDolmen announces the resignation of Jos Nyns, Chief Financial Officer of RealDolmen. Jos has accepted a new and challenging position as Chief Financial Officer of Agfa HealthCare, a leading provider of diagnostic imaging and healthcare IT solutions.

During Jos' tenure at first Real Software and since last year at RealDolmen, he provided outstanding financial leadership. His knowledge, dedication and contributions as the senior financial executive were most significant in the turnaround at Real Software and then in creating the merger that resulted in RealDolmen.

RealDolmen wishes Jos well and continued success.

Paul De Schrijver, Vice President International & Corporate Development will take interim responsibility for the Finance team in order to develop the right blueprint supporting the company in its ambition to realize double-digit growth and market leading profitability.
