Visual Studio Enterprise (BizSpark) subscribers	0064P	✓
Visual Studio Enterprise (MPN) subscribers	0029P	✓
Pay-As-You-Go Dev/Test	0023P	
Enterprise Dev/Test	0148P	

THE AGREEMENT-OFFER OPTIONS FOR AZURE

- EA: Enterprise Agreement: add Azure to your existing Enterprise Agreement
 - ▢ Enterprise
 - ▢ Enterprise Dev/Test
- SCE: Server and Cloud Enrollment: “EA-like”
- MOSA: Microsoft website + credit card (aka MOSP or Web Direct)
 - ▢ Pay-as-you-go
 - ▢ Pay-as-you-go Dev/Test
- CSP: Cloud Solution Provider: end-to-end partner managed
 - ▢ Azure in CSP

NEW

Microsoft Customer Agreement

CONSIDERATION #1: COMMITMENT

How strong is your choice and commitment for Microsoft Azure in terms of contract duration and amount you will consume?

Contract	Contract duration	Consumption
EA	3 years	Min $\pm 1K$ € / year*
SCE	3 years	Azure-only: Min $\pm 10K$ € / year* Not Azure-only: Min $\pm 1K$ € / year
Pay-as-you-go	No commitment	No commitment
CSP	No commitment	No commitment

*: yearly adjustable

*: unused commitment is lost at the end of the contract year

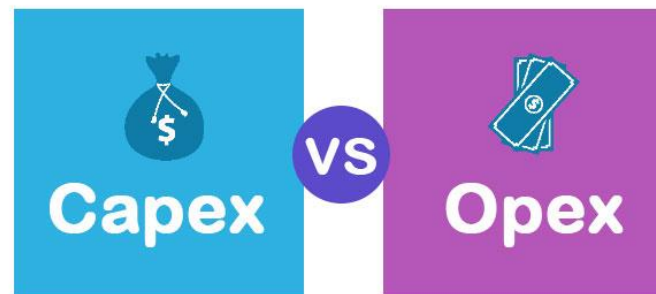

CONSIDERATION #2: BILLING & PAYMENT

Do you prefer upfront fixed bills? Or pay-per-use billing in arrears?

Contract	Payment
EA	Yearly upfront*
SCE	Yearly upfront*
Pay-as-you-go	Pay-per-use, monthly arrears, via credit card (or invoice)
CSP	Pay-per-use, monthly arrears, via invoice from partner

*: with monthly overage invoices

CONSIDERATION #3: BEST PRICE

Which contract gives you the best pricing?

Contract	Pricing
EA ⁽¹⁾	All same price ⁽²⁾
SCE	
Pay-as-you-go	
CSP ⁽³⁾	

(1): Level A-D same pricing since 10/2016

(2): better pricing options are not contract dependent, but through special offers like Reserved Instances, Hybrid Use Benefit, Dev/Test pricing, ...

(3): discount possible

CONSIDERATION #4: PRICE PROTECTION

Do you need maximum price predictability?

Contract	Price protection
EA	Price protection for contract duration
SCE	Price protection for contract duration
Pay-as-you-go	Price of the day
CSP	Price of the month

CONSIDERATION #5: TIME TO CONTRACT

How fast do you need your Azure subscription?

Contract	Billing
EA	Up to several weeks (paperwork + activation)
SCE	Up to several weeks (paperwork + activation)
Pay-as-you-go	5 minutes
CSP	<1 day, only Standard Cloud Agreement to sign

CONSIDERATION #6: PARTNER SUPPORT

Are you just buying an Azure contract and plan to do everything yourself? Or are you looking for a partner that guides you on the way to the cloud and manages your Azure environment for you?

Contract	Partner Support
EA	You own the contract
SCE	You own the contract
Pay-as-you-go	You own the contract
CSP	Partner manages the contract end-to-end for you (no pure Azure reselling)

CONSIDERATION #7: MICROSOFT SUPPORT

For business critical workloads, you better have a support contract with Microsoft.

Is support included?

Contract	Microsoft Support
EA	Not included, Standard / Professional Direct available*
SCE	Not included, Standard / Professional Direct available
Pay-as-you-go	Not included, all options possible
CSP	Included via Partner

*: 1 year Standard Support for free

AZURE SUPPORT PLANS COMPARED

	Developer	Standard	Professional Direct	Premier
Technical Support	Business hours via email	24x7 via email and phone	24x7 via email and phone	24x7 via email and phone
Case Severity *	C only	A, B, C	A, B, C	A, B, C
Response Times	< 8 business hours	C < 8 business hours B < 4 hours A < 2 hour	C < 4 business hours B < 2 hours A < 1 hour	C < 4 business hours B < 2 hours A < 0,25 hour
Pricing per month	€24,46	€84,33	€843,30	On demand

*: A = Critical Business Impact

B = Moderate Business Impact

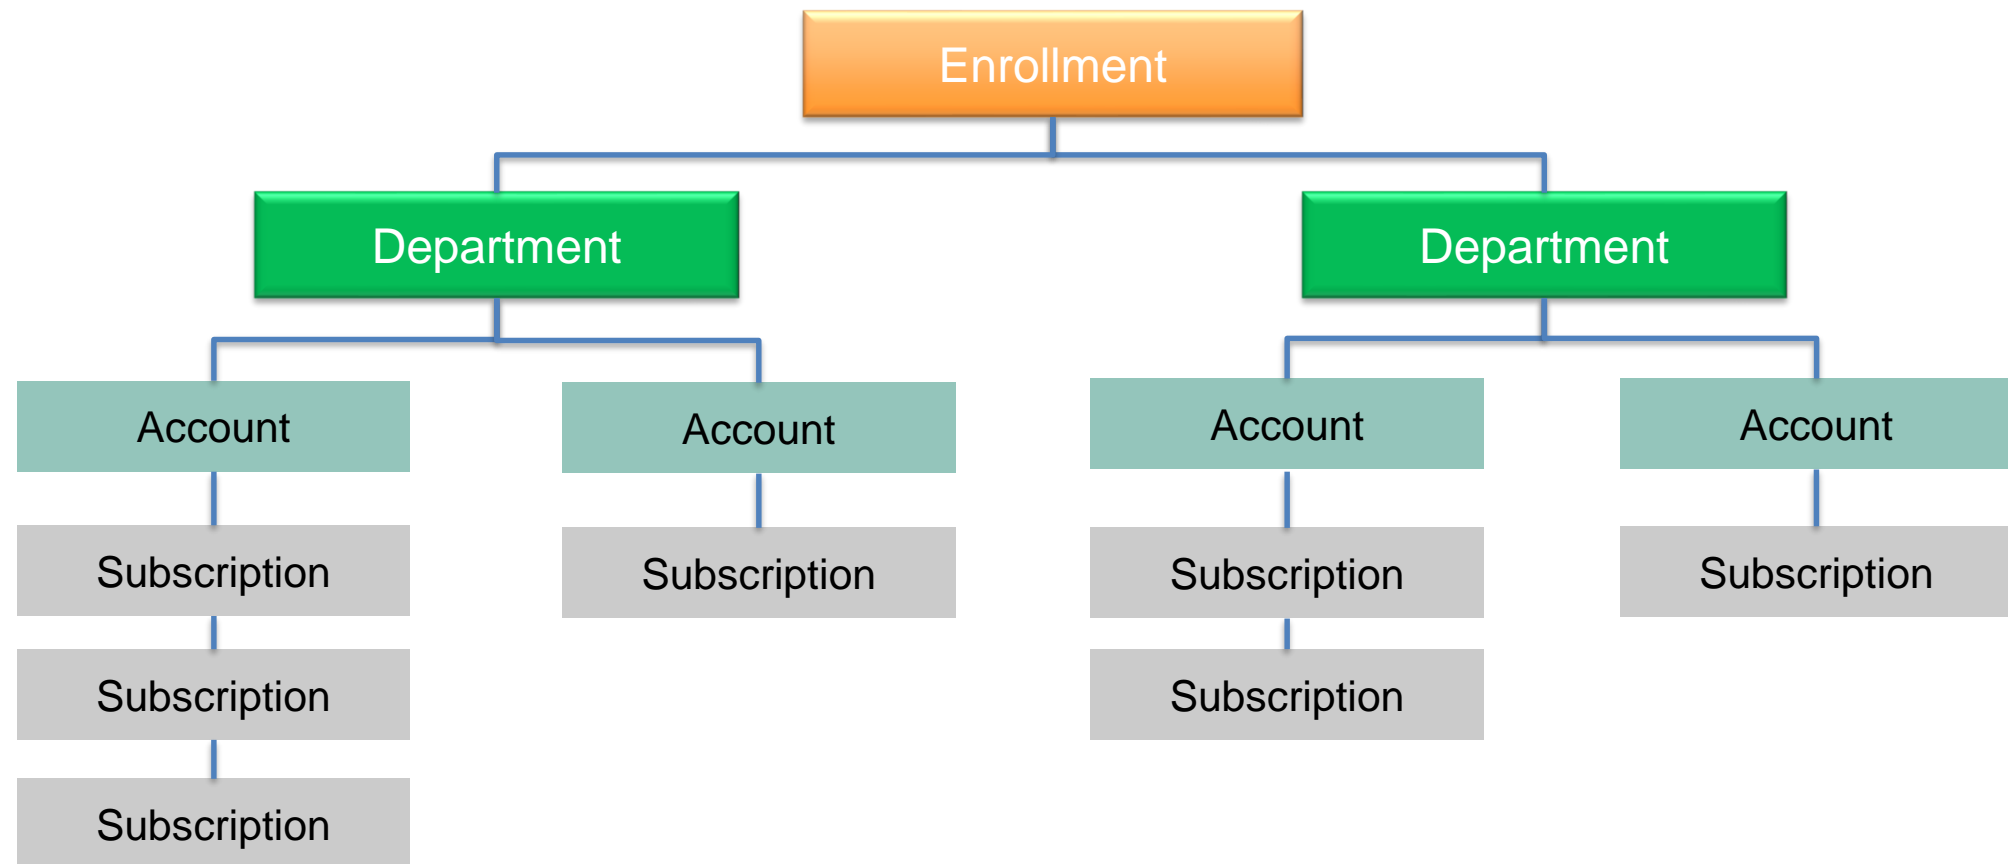

C = Minimal Business Impact

CONSIDERATION #8: SUBSCRIPTION HIERARCHY AND GOVERNANCE

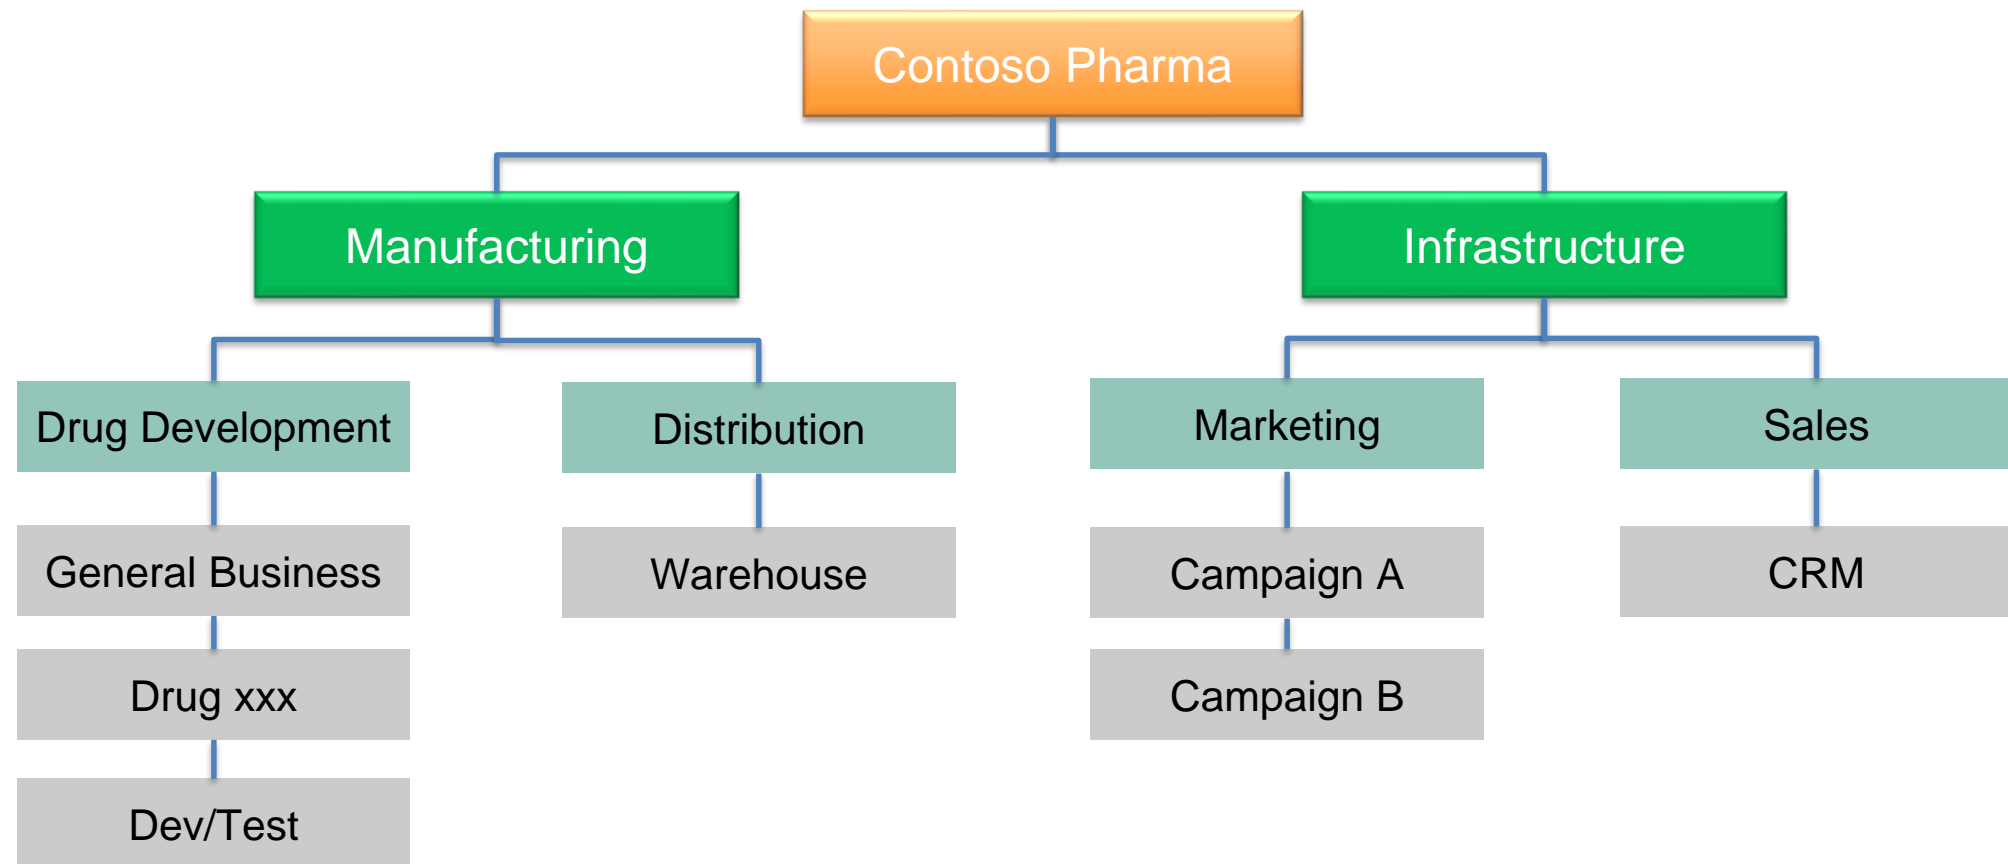

Do you have a need for several departments all having their part of the Azure agreement, but still 1 invoice?

CONSIDERATION #8: SUBSCRIPTION HIERARCHY AND GOVERNANCE

Do you have a need for several departments all having their part of the Azure agreement, but still 1 invoice?

CONSIDERATION #8: SUBSCRIPTION HIERARCHY AND GOVERNANCE

Do you have a need for several departments all having their part of the Azure agreement, but still 1 invoice?

Contract	Subscription hierarchy
EA	Enrollment – Department – Account - Subscription
SCE	Enrollment – Department – Account - Subscription
Pay-as-you-go	Completely separate subscriptions
CSP	Separate subscriptions under 1 tenant

CONSIDERATION #9: COST MANAGEMENT

How important is it for you to always have a detailed overview of the running cost?

Contract	Cost Control
EA	All options
SCE	All options
Pay-as-you-go	All options but per subscription
CSP	Dependent from partner

CONSIDERATION #10: SERVICE AVAILABILITY

Are all Azure services you need available in your contract?

Contract	Service Availability
EA	All services
SCE	All services
Pay-as-you-go	All services
CSP	Some services (still) not available

CONSIDERATION #11: CONTRACTING PARTY & BILLING

Who will bill you?

Contract	Billing
EA	Microsoft to customer*
SCE	Microsoft to customer*
Pay-as-you-go	Microsoft to customer
CSP	Partner to customer

*: except public government customers

CONSIDERATION #12: DEVELOPMENT / TEST TEAMS

Is a lower price for Development and Test capacity interesting for your company?

Contract	Special price
EA	Yes, via
SCE	Yes, via
Pay-as-you-go	Yes, via
CSP	No

Microsoft Azure Add subscription

SELECT AN OFFER

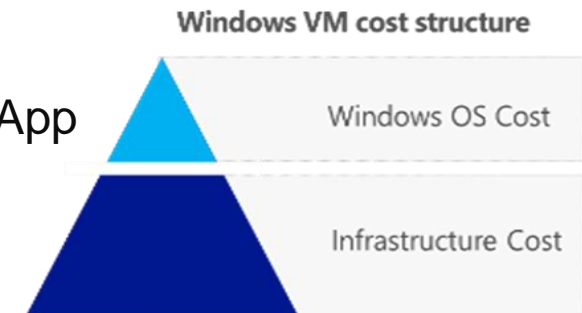

Enterprise Dev/Test
This offer (which is part of the Enterprise Agreement) is for teams of active Visual Studio subscribers to run dev/test workloads on Microsoft Azure, providing discounted rates on Windows virtual machines and access to exclusive images in the Azure Gallery.
[Learn more](#)

Microsoft Azure Enterprise
This restricted offer is for customers billed separately through our Enterprise Portal. Please refer to your Volume Licensing agreements and the price list displayed on the Enterprise Portal to view your rates associated with this offer.
[Learn more](#)

Special price:

- For virtual machines: only pay the compute cost (=Linux cost)
- Low rates on Cloud Services, SQL Database, HDInsight, App Service and Logic App

*: need a Visual Studio subscription to access the Azure subscription

Azure contract options for discovery

VISUAL STUDIO AND MSDN SUBSCRIPTIONS

- Monthly Azure Credit

Version	Monthly Credit
Visual Studio (Test) Professional	45€
Visual Studio (Test) Professional via MSDN	85€
Visual Studio Enterprise	130€

- Low Dev/Test rates
- Personal use only
- No production !!

Optimizations

Optimizations - Azure Reservations

AZURE RESERVED INSTANCES

- Reserve Virtual Machines in advance
- Select 1 or 3-year terms with significant benefits
- Pre-paid
- Available for EA, SCE, Pay-as-you-go and CSP

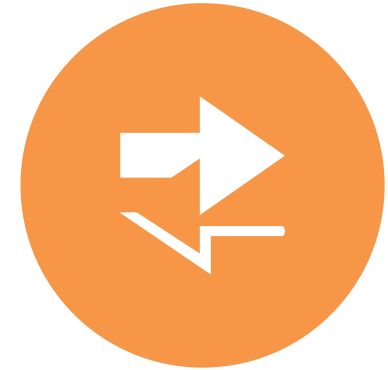

Significant cost savings
